FOR IMMEDIATE RELEASE

November 3, 2015

Tribute to Teddy Pendergrass Show set to appear at Philadelphia's Venice Island Performing Arts & Recreation Center for two shows only on November 29, 2015. Tributary performances by George Foxx & the G. Foxx Experience Orchestra, including seven original members of Pendergrass's Teddy Bear Orchestra.

Philadelphia - Energetic, charismatic, and soulful are befitting words to describe singer George Foxx's *Tribute to Teddy Pendergrass Show*. Over the past five years, George Foxx and the musicians of the G. Foxx Experience Orchestra have refined, reenacted, and flawlessly performed the hit songs of the late Teddy Pendergrass.

George Foxx's deep, sultry baritone voice, physical similarities, and vocal nuances mirror R&B icon Teddy Pendergrass with precision, allowing audiences to be seamlessly transported back to the days when the charismatic legend himself was on stage. Including seven original members of the Teddy Bear Orchestra as well as Teddy's daughter-in-law Felica Pendergrass as one of the backup singers, Foxx's *Tribute to Teddy Pendergrass Show* is, simply put, as realistic as it gets. Performing legendary Pendergrass hits including "Close the Door", "My Latest and Greatest Inspiration", "Only You", "The Whole World's Laughing at Me," and "Love TKO", George Foxx and the G. Foxx Experience Orchestra recall the inspiring and soulful energy of Pendergrass's original performances.
