### *Philly Soulman and Radio Host Kenny Jeremiah Set for a Rockin' 2016*

For over 50 years, Kenny Jeremiah has remained a beloved fixture in Philadelphia's world-class music scene. As co-founder and frontman for the popular 60's band The Soul Survivors, Kenny, along with Richie and Charlie Ingui captivated the world with their 1967 smash hit, "Expressway to Your Heart." Written by the songwriting duo Gamble & Huff, the song's powerful beat and singular style spawned The Sound of Philadelphia (TSOP), a musical paradigm which defined the funky, horn-driven sounds that emerged from Philly's prolific R&B scene in the 60s and 70s and became the global sound of a generation.

With powerful vocals, boundless energy, and an innate ability to captivate fans, Kenny's live performances remain legendary. Having amassed thousands of followers, Kenny Jeremiah's magnetic voice continues to draw fans through rousing live performances as well as radio broadcasts.

Each Tuesday night from 10-11pm, Kenny Jeremiah, and DJ Pepper Paul host their infamous "Rock & Soul Radio Show" on Vineland New Jersey's 92.1fm WVLT. The show is also distributed to a global audience at wvlt.com. Kenny and Pepper recently announced they are now broadcasting at The Links Golf Course @ Kings Grant in Marlton, New Jersey. The second and fourth Wednesday of each month, the popular WVLT hosts bring the dance party to their Social Club members at Marlton's hottest party venue. WVLT Social Club membership is free; call 856-983-2000, ext. 5 to join, then hit the Links on the second and fourth Tuesdays for a rock 'n soul dance party. Kenny also performs Friday nights at Joey M's LaPiazza in Wildwood, New Jersey, and the first and third Wednesday monthly at Racks in Williamstown.

In the studio, Kenny Jeremiah recently released a cover of Enrique Iglesias' hit dance ballad, "[Hero](#)." The recording has become a staple in dance clubs, and is quickly gaining traction on YouTube. He also released "Let It Be Me" just in time for Valentine's Day. All of Kenny's song recordings are available for purchase online at CDBaby.

With more dance anthems scheduled for release this year, and a full schedule of live performances and Rock 'n Soul dance parties, 2016 is shaping up to be a banner year for Philly's blue-eyed soulman.
